

Now Hiring for a Part-Time Program Manager
at San Antonio, Texas

American CMG Services, Inc. is hiring for a part-time Program Manager to support a medical administrative support workforce at the Department of Defense site(s) in the San Antonio, Texas area.

The Program Manager will be responsible for being a part of the team for planning and delivering contracted services, meeting with government customers to resolve issues, interviewing and selecting new hires, onboarding forms, and monthly reports. Experience is desired for translating PWS requirements into project plans and milestones, directing and implementing plans; and presenting formal project status/plan briefings to Government managers.

We desire applicants with ten years of DoD medical management experience. The incumbent of this position will be subject to a background investigation and will be required to maintain a Government granted security clearance
